

Dear David & everyone at the
Three Horseshoes

We just wanted to thank you
from the bottom of our hearts
for the most incredible wedding
day. From the second we first
came to see you nothing was too
much trouble. You understood how
important it was to have a personal
day that was special to us and
you did everything to make that
happen. We fell in love with the
place the minute we arrived,
what's not to love about your
stunning location?! But it's every-
one of you that makes it so
special. The food was out of this
world, every single one of our 180
guests has raved about the quality.
The attentiveness of all of you made
everyone feel very well looked after &
all the little extras like our
personalised cake knife & serving
of the very well used Jaeger shot
glasses! We consider ourselves very
lucky to have found the most
perfect wedding ^{venue} for our day and
we are looking forward to many more
delicious meals with you guys in
the years to come! With the best
wishes to you all Chris & Andrew

Dear David

It has been two weeks since our daughter's wedding and reception at The Three Horseshoes and, as the parents of the Bride, Kathy and I have been happily remembering every detail.

Kiah and Andrew made inspired choices for their wedding venues. We were delighted with the success of the day both at the Church of St Lawrence in West Wycombe and especially the reception at The Three Horseshoes. The venue was stunning, the food exceptional and the service impeccable. The comments we have received from family and friends on the wonderful occasion, speak of the superb venue, beautiful surroundings, perfect food, attentive staff and happy, relaxed atmosphere.

A significant contribution to the success of the day was in no small measure down to you and your staff. Your attention to detail, perfect organisation and patient responses to constant queries and concerns was greatly appreciated. Whilst all of you may have been paddling furiously beneath the surface, the result was calm, smooth and effective service.

We must congratulate you and all your staff both front of house and behind the scenes, particularly the chefs. With continued high quality given by you and your staff, we would have no hesitation in recommending The Three Horseshoes to anyone contemplating a wedding reception.

Please accept our sincere thanks and best wishes for continued success. I think you may have found many new regular restaurant customers.

Best regards

Dear David and the staff of the Three Horseshoes,

Suzanne and I just wanted to thank you for making our wedding last Friday such a special day. So many of our guests commented on the lovely setting, beautiful rooms and warm friendly service. You really made everyone feel at home. I'd also be grateful if you'd pass on our thanks to the chef and his team for such a superb meal! Many told us it was one of the best meals they had ever had.

We really look forward to visiting you again in the years ahead and wish you and the business all the best for the future.

Yours,

Paul and Suzanne

P.S. We loved the late night cheesy chips!
